

Alphabet Soup Assignment

Keyboarding

Your Task

Create an alphabet listing about YOU! Type the alphabet in proper order and select an adjective (or phrase) to describe you that begins with that letter. For example, (A)wesome. Put the initial letter in parenthesis/bold and then type the adjective/phrase that goes with it. Please use appropriate adjectives! Use an online thesaurus if necessary (*tools, language, thesaurus*)!

For the title, use a nice font that matches your personality, size 20. For the rest, use size 14, font of your choice, but make sure it is readable. Change page margins to .5" on all sides, and do not allow any entry to be more than one line of type. Add an appropriate graphic to the bottom right hand corner. Be creative!!! Your finished list should not exceed one page.
